## FAQ

### **When are auditions/interviews for the Talent Development Program?**

Dancers applying for TDP will be assessed and interviewed on our concert rehearsal day on Sunday 31 October. Dancers applying who are not currently students at Bayside Dance may submit a video audition and response to interview questions. Second round auditions will be held in December if required.

### **Can I put my name down for the Talent Development Program and Performance Troupe in case I'm not accepted into TDP this year?**

Yes, there's an option for this on the EOI form.

### **When will I find out if I'm accepted and what will I then have to do?**

We'll be announcing our teams after our concerts in mid-late November. You'll be asked to complete a contract agreeing to our terms and conditions and to pay a non-refundable \$50 deposit to hold your place.

### **Why are there new options this year?**

To cater for all the different types of dancers we have here at Bayside Dance. We want all our dancers to succeed and reach their goals, no matter what they are!

### **When will rehearsals be?**

Great question! Because we are introducing three new programs this year, we don't yet know when will be the best time for rehearsals. If you apply and cannot make the rehearsal once the time is set, you can withdraw. We will be endeavouring to work around team members' other classes as much as possible.

### **Why are the packages for Mini Troupe and Performance Troupes front-loaded?**

This was in response to parent feedback and is designed to ease pressure on families. Rehearsals and team participation will still continue in Term 4.
