

Bayside Dance

What happens at my very first dance class?

My new teacher will be so excited to meet me!

I will look around the dance studio and find my class.

When class starts, Mum or Dad can watch in the waiting room.

I will make new friends!

I will get to do lots of fun things like skipping and jumping.

If I want to sit with Mum or Dad to watch first that is okay too.

If I enjoy class I can get a special dance uniform.

I will come back each week to learn how to be a dancer!
