FAQ

When are auditions/interviews for the Talent Development Program?

We will advise an audition and interview date in Term 4 2025. Dancers unable to make the audition may submit a video audition and response to interview questions. .

Can I put my name down for the Talent Development Program and Performance Troupe in case I'm not accepted into TDP this year?

Yes, there's an option for this on the EOI form.

When will I find out if I'm accepted and what will I then have to do?

We'll be announcing our teams prior to our office closing for the year in December. You'll be asked to complete a contract agreeing to our terms and conditions and to pay a non-refundable \$60 deposit to hold your place.

What is the difference between TDP and Performance Teams?

We strive to cater for all the different types of dancers we have here at Bayside Dance. We want all our dancers to succeed and reach their goals, no matter what they are! TDP is designed for dancers interested in making commitments to their dancing, whereas performance teams are more about gaining experience and improving skills.

When will rehearsals be?

Great question! In the past, rehearsals for Mini Troupe and Performance Teams have been Friday afternoons/evenings, with additional TDP rehearsals throughout the week. We're still creating our 2026 timetable so will confirm this toward the end of the year.

Why are the packages for Mini Troupe and Performance Troupes front-loaded?

This was in response to parent feedback and is designed to ease pressure on families. Rehearsals and team participation will still continue in Term 4.
